Terminology and Abbreviations

Characters

A character is a single letter, number, or symbol.

Username

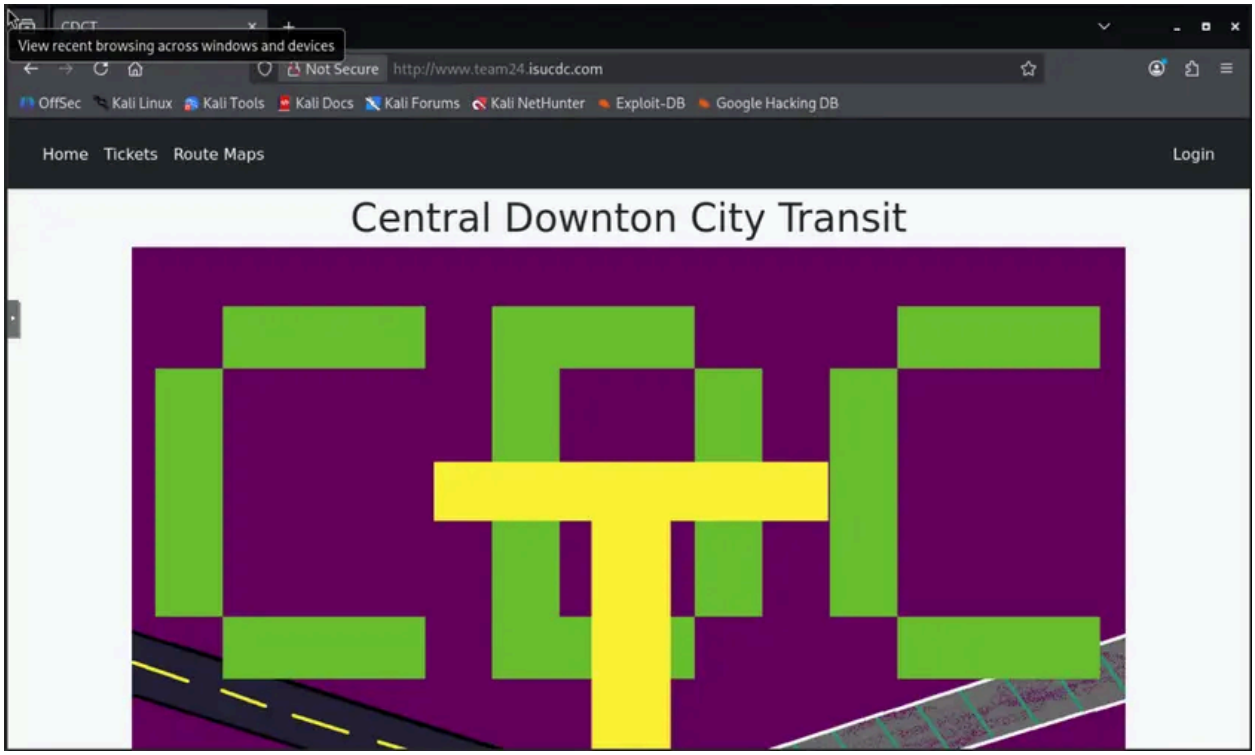
Your username should be your firstname, followed by a period, then your last name. For example, if you were Mr. John Doe, your username should be "john.doe" (without the quotes).

Accounts

Accessing the Website

In order to access the website, perform the following steps.

1. Open a web browser of your choice.
2. In the address bar, enter the following: http://www.team24.isucdc.com
3. You should get a screen similar to the photo seen below.



Logging in

To log in, please follow the following steps.

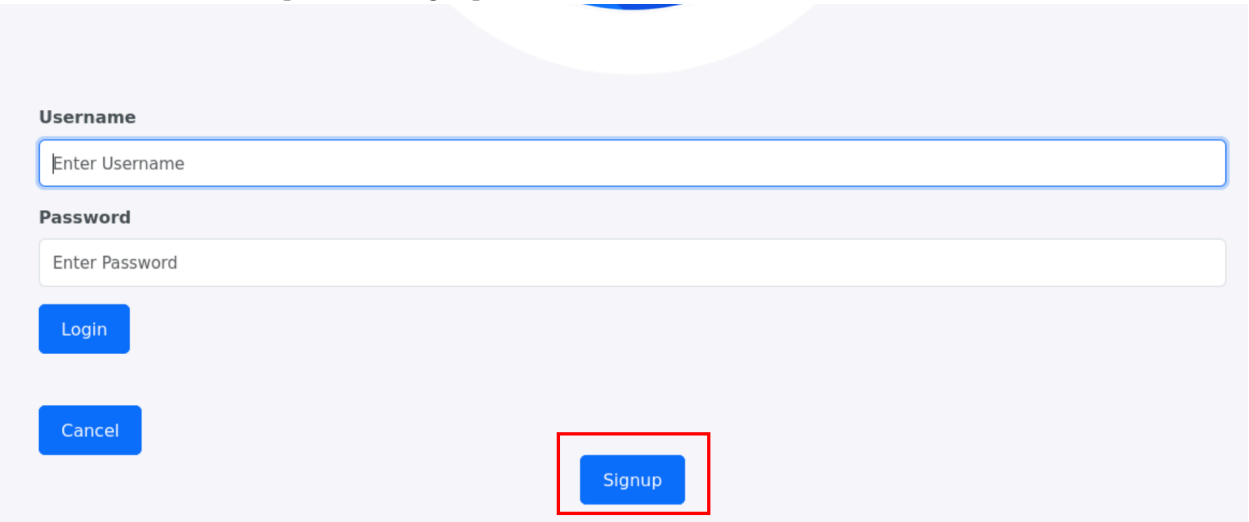
1. Access the website.
2. Click the “Login” link in the top right corner.
3. Enter your credentials (your username and password)
    a. Your username will be "first.last", "first" being your first name, and "last" being your last name. For example, if your name was Mr. John Doe, you would enter"john.doe" (without the quotes) into the username field.
4. Click “Login”

Creating an Account

To create an account, you will need to do the following.

1. Access the website
2. Click the "Login" link in the top right corner.

3. Scroll to the bottom and press the "Signup" button

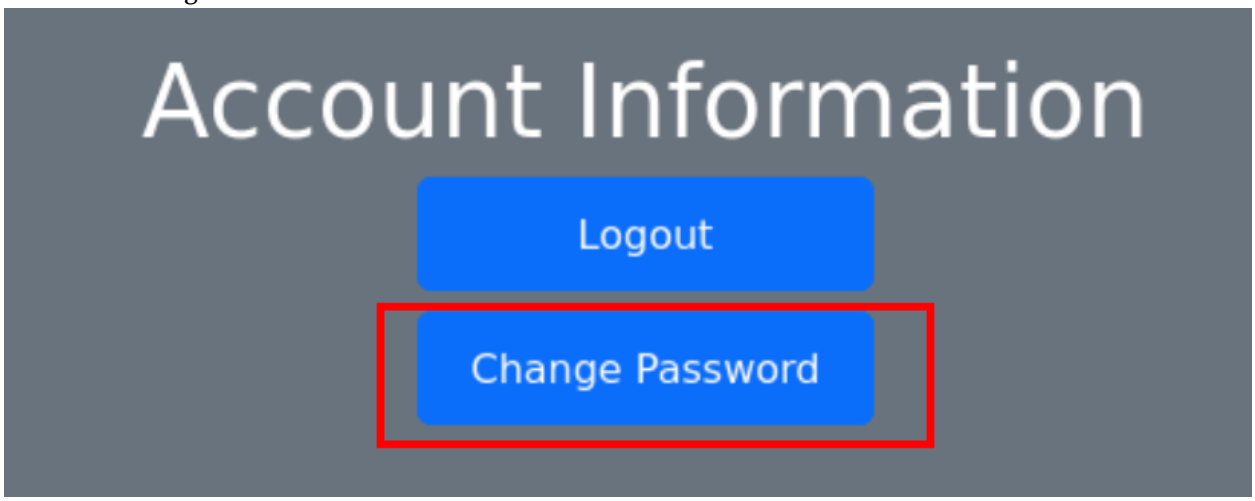


4. Enter a username and a password for your new account. You will want to remember this.
    a. Your password must be at least 7 characters long.
5. Press the "Create Account" button.

Changing your Password

To change your password, please do the following.

1. Log into the website.
2. Click your username in the top right corner.
3. Press the "Change Password" button



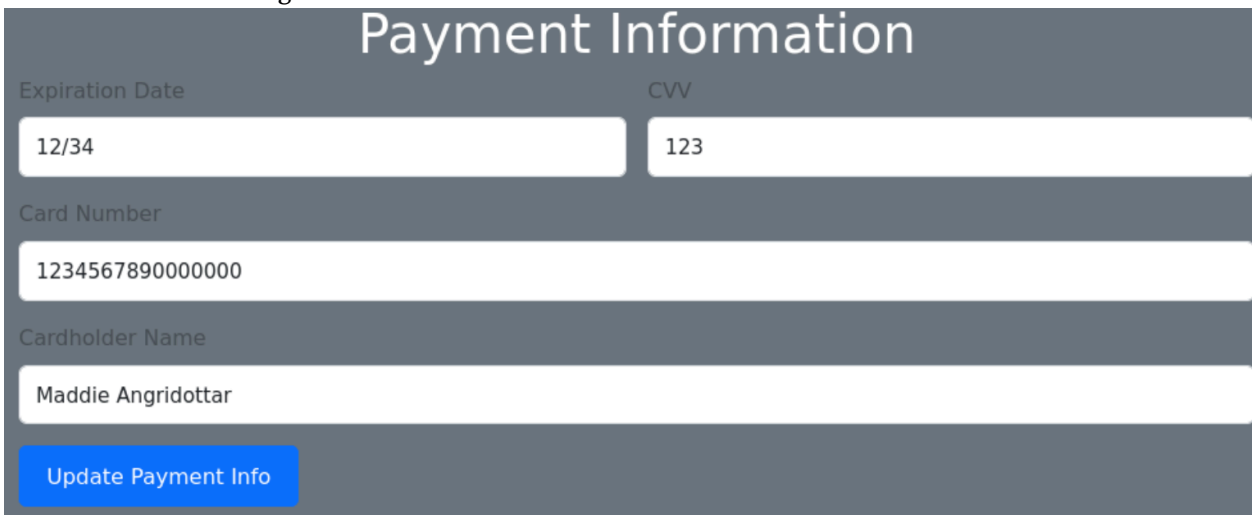
4. Enter your new password into both the "Enter New Password" and "Confirm Password" boxes.
    a. Your password must be at least 7 characters long.
5. Press the "Change Password" button.

Adding and UpdatingCard Information

To add your credit card information to your account, or change the credit card information currently stored on your account, please do the following.

1. Log in to the website.

2. Click your username in the top right corner.
3. Scroll down and enter your (new) credit card information into the boxes provided.
4. It should look something like this.



5. Press the "Update Payment Info" button.

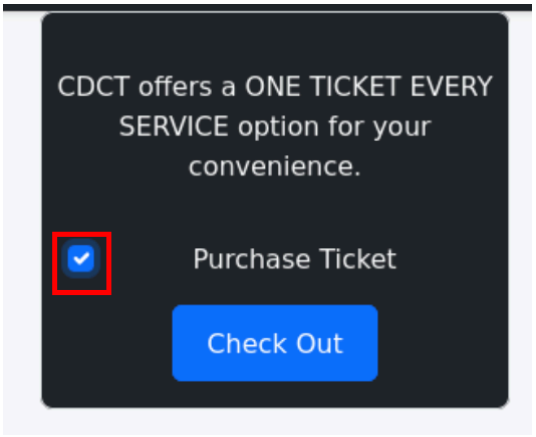
Tickets

Obtaining Tickets

To obtain a ticket, you will need a credit card connected to your account. Then, please follow the following steps.

1. Sign into your account.
2. Press the "Tickets" link in the top left corner.

3. Check the "Purchase Ticket" box.



.

4. Press the "Check Out" button.
5. Your ticket should appear below like so.

Using Tickets

Once you have signed in to your account and purchased a ticket, to use the ticket, please do the following.

1. Press the "Activate Ticket" button on the ticket.

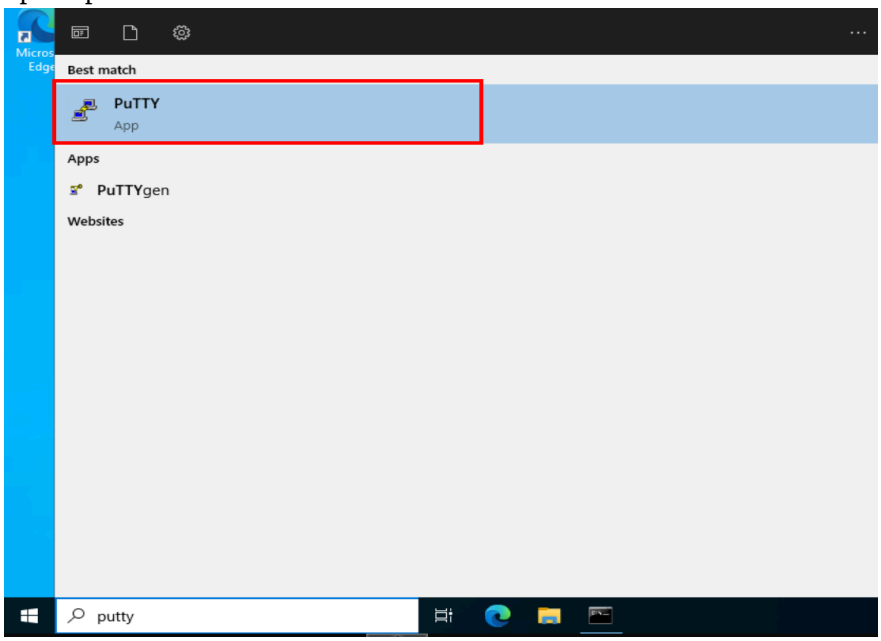
   a. **NOTE:** After activation, the ticket must be used within the next two hours, or it will expire.
2. The ticket will then be scanned. You may press the "Scan Ticket" button to do so.
3. You may delete the ticket when you're done with it.
4. You have now boarded a train or bus!

Administration

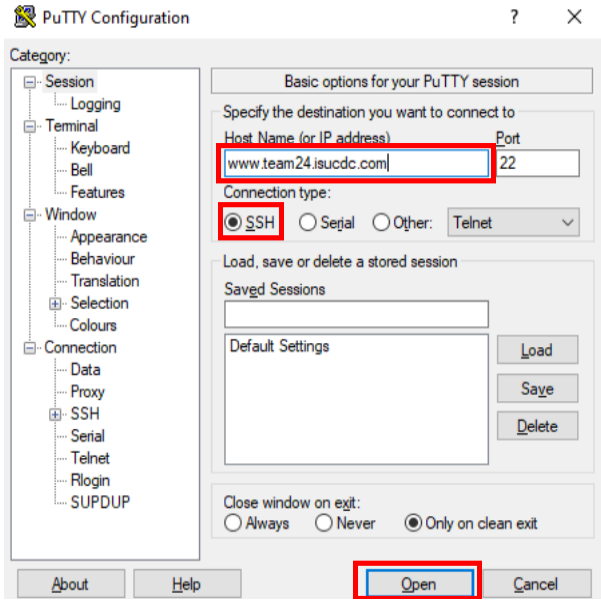
SSH Access

On the Admin server, PuTTY is installed. Please use it to connect to Linux servers you would like to administrate as follows.

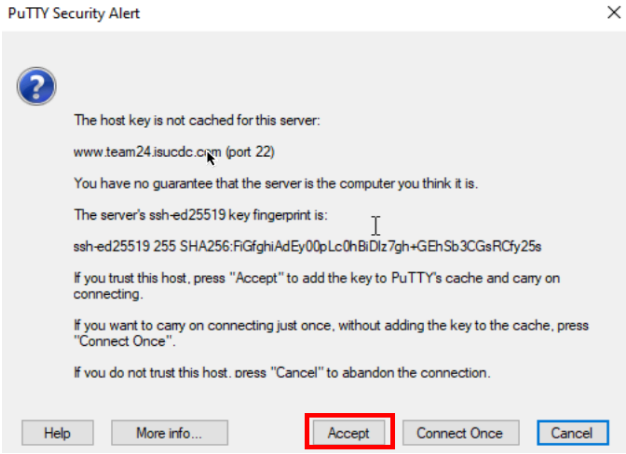
1. Open up PuTTY from the start menu.



2. In the "Host Name" box, put the name of the server you'd like to connect to. Available linux servers are "www.team24.isucdc.com" and "mgmt.team24.isucdc.com".
3. Under "Connection type", make sure "SSH" is selected.
4. Press the "Open" button.



5. If you see a message box like this, please press "Accept".



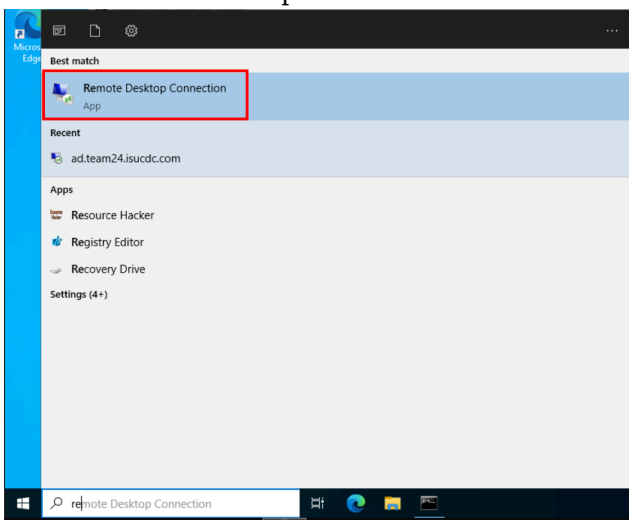
6. After "login as:", type your username and press enter

7. It will ask for your password. Type it and press enter. Note that your password will **NOT** be shown as you type it.
8. You are now logged in.

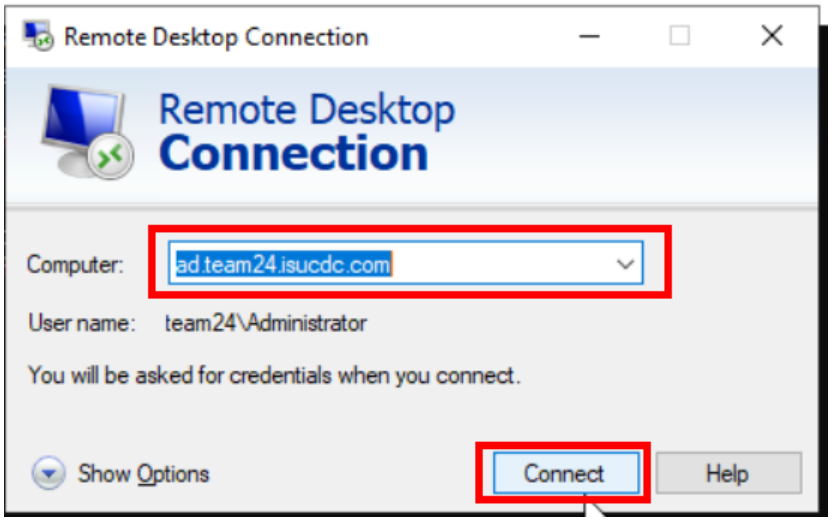
RDP Access

To access a machine via RDP, use the following steps.

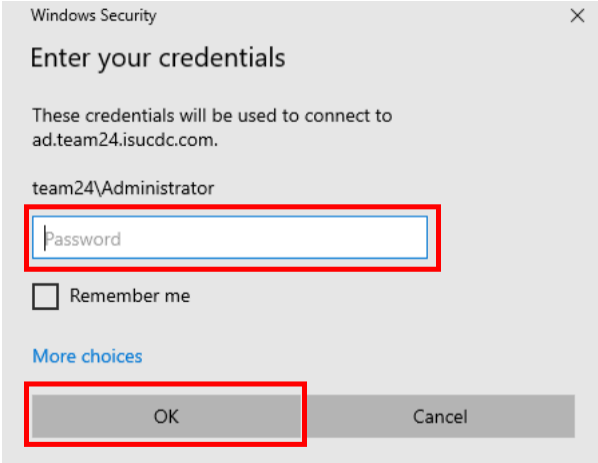
1. Launch "Remote Desktop Connection"



2. Enter the domain name of the Windows server you would like to connect to. These include "ad.team24.isucdc.com", "admin.team24.isucdc.com" and "tickets.team24.isucdc.com".
3. Press the "Connect" button.



4. Enter your password into the box and press "OK".



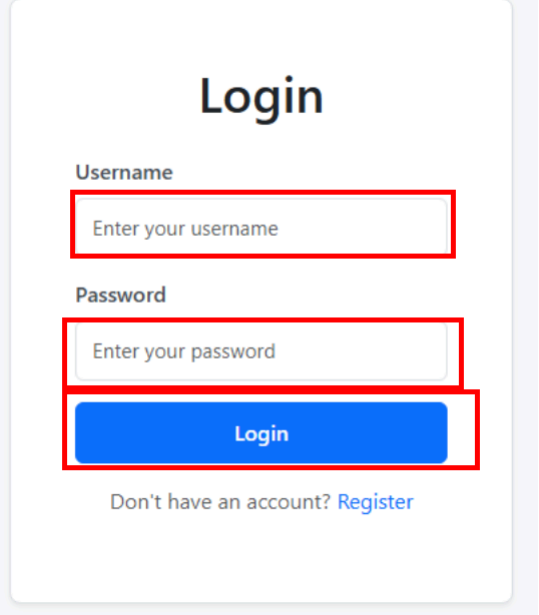
5. You are now connected via RDP.

Preform Administrative Transport Action

To preform administrative transport actions, do the following.

1. Open a web browser of your choice.
2. In the address bar, enter the following: http://admin.team24.isucdc.com
3. Enter your username and password.

4. Press the login button.



5. You may now use this website to configure the transit system.
